ERTH has established relationships with all water meter manufacturers and can fill most requirements for new meters and parts. We specialize in installation, commissioning, and warranty service.

New Water Meters & Parts

At ERTH, we carry an extensive inventory of new meters, meter parts, registers, specialized meter setting fittings, and custom fabricated applications.

In addition, ERTH's highly trained staff can install the new meters and/or parts for you and can provide a program to ensure meters are tested regularly meeting AWWA and/or manufacturers' standards ensuring accurate readings.

We carry many brands of meters and parts including:

1. Neptune
2. Elster
3. Sensus
4. Endress + Hauser
5. Rosemont
6. ABB

7. Khrono
8. Badger
9. Master Meter
10. McCrometer
11. Fischer Porter
